Accommodation

FESTSPT does not have a residence building for its students. Students are responsible for finding their own accommodation in Barcelona.

There are numerous accommodation web sites for renting a flat or sharing one with other people. For a room in a shared apartment, a range from 400€ to 600€ is considered normal, depending on the square meters and location. We recommend you visit the website of the Barcelona Centre Universitari, <https://bcu.cat/en/>, where you will find useful information about living, studying and fully enjoying your time in Barcelona. You can also visit some of the most popular rental sites in Barcelona:

- Fotocasa: <https://www.fotocasa.es/en/>
- Idealista: <https://www.idealista.com/alquiler-viviendas/barcelona-barcelona/>
- API: <http://www.api.cat/en>
- Habitaclia: <https://www.habitaclia.com>

If you are looking for a cheap and well-located place to stay during your first days in Barcelona, while looking for more permanent accommodation, the Pere Tarres Foundation has a youth hostel not far from our Faculty:

Youth Hostel Pere Tarrés <https://www.peretarres.org/en/barcelona-hostel>
Close to the train station Barcelona Sants, it is well communicated with public transportation (about 15min from the Faculty)
