For these reasons, we also have an important presence in civil society in the rest of Spain and we take part in European and international training and programmes.

A photograph of several young children in a school bathroom. In the foreground, a girl with curly hair and a pink face mask is washing her hands in a white sink. Behind her, other children are also at the sinks, some wearing masks. The background shows a tiled wall with colorful mugs hanging on a rack. The text "THANK YOU" is overlaid in large white letters at the top of the image.
