What is it?

EuroCourse is an international training course, for young leaders from European Fimcap member organisations.

- meet young leaders from all around Europe
- play games, debate, learn about each others cultures and have fun together

The course is build around group dynamics in a fun, interactive and informal context.

The programme consist of both formal visit and training materials. Eurocourse 2020 sessions e.g. workshops, games and more informal social events where you will have the possibility to get to know each other across organisations and countries.

Theme

Under the theme "energy without borders" you will learn to think about Energy in all its forms. You will learn how to enhance your personal energy. By working together you will be tackling EU energy problems and learn how to implement sustainable energy in your own organisation.

After the course you will:

- Gain knowledge about European Climate and Energy Framework
- Learn how to apply the Energy theme in activities for youth
- Improve your intercultural skills, teamwork, project management skills and assesment skills
- Be inspired by field trips and informal discussions

Application

The application deadline is the 8th of March 2020 and you can apply by sending an email to:

ambits@peretarres.org

Language

The official language of the training course will be English, which all participants must be able to speak. Your English does not have to be perfect, but you must be able to engage in normal conversation.

Who can participate?

Youth leaders born between 1995 - 2002 whose organization is part of the Euorpean Fimpcap. Are you not sure? Check it quickly on the Fimcap website.

When & where?

The course will take place between **13. April - 18. April 2020** (excluding travel days) and will be hosted by Chirojeugd Vlaanderen in Westmalle, Belgium.

Costs

There is no participation fee, everything is financially supported by the Erasmus+ project of the EU.
This includes the full program as well as travel expenses.
