

**EUROCAMP 2011**

**The power of You(th)**

**5<sup>th</sup>-10<sup>th</sup> August - Tiana (Barcelona)**

This year, FIMCAP Eurocamp will take place in Catalunya, and it will be organised by CCCCCE (The catalan organisation which coordinates different youth groups and activities). Accommodation will be provided at a nice hostel called “La Conreria” in Tiana, a village near Barcelona.

Take a look at La Conreria:

This year's Eurocamp will be inspired by the main topic: *“Eurocamp: the power of you(th)”*. This motto will lead our way. We will use different approaches to work on the importance of volunteering in our lives. We will try to experience some different kinds of volunteer work by sharing our free time with non formal education organisations and environmental projects.

Programme and content are addressed to youngsters aged 16-20 (born 1991-1995), who haven't had any international experience before. The aim is to offer them the possibility of being part of an international community and make new friends from different countries. The International committee of CCCCCE is in charge of this project.
